

LETTER OF INTENT

Dated this ___ day of _____, 2008.

FROM: **LICENSOR**
 [street address]
 [city, province, postal code]

TO: **LICENSEE**
 [street address]
 [city, province, postal code]

Further to our various letters, discussions and meetings, Licensor wishes to express its interest in licensing certain software to Licensee on the basis set forth in this Letter of Intent. Certain references in this Letter of Intent will reference Licensee, its subsidiaries, affiliates, directors, officers, customers, consultants, licensees, contractors, agents and employees, all of whom shall be referred to as its "Partners".

- 1. Software** – Licensor is the sole owner of certain _____ software and corresponding source code, the most current version of which is called _____ (the "Software"). Licensor is prepared to grant Licensee a perpetual licence (the "Licence") to use and sublicense the Software. The licence of the Software does not include any upgrades, modifications, derivatives or new versions of the Software. Each party shall be entitled to modify the Software which modification includes, but is not limited to, upgrades, maintenance, new versions and derivations thereof (the "Modifications"). Neither Licensor nor Licensee, however, is entitled to any rights, interest or ownership in the other party's Modifications. Notwithstanding the execution of this Letter of Intent, and subject to any other site or user licences purchased by Licensee, Licensee shall not have any rights or interest whatsoever in the Software until a final licence agreement is executed and specifically none arising out of this Letter of Intent.
- 2. Purchase Price** – The price for the Licence is the sum of CAN _____ Dollars (CAN \$_____) plus any applicable taxes, including without limiting the generality of the foregoing, any applicable sales taxes and GST. Payment shall be made by Licensee by way of certified cheque or bank draft upon closing of the final licence agreement.
- 3. Restriction** – Licensor agrees not to further directly or indirectly license or sublicense the Software in a manner directly competitive with Licensee's ___ system in _____ for a period of ___ months/years from the date of execution of the final licence agreement. Licensee agrees not to directly or indirectly license or sublicense or sell the Software to anyone in the world, except as the Software may be incorporated by Licensee in its integrated ___ system, for a period of ___ months/years from the date of execution of the final licence agreement.
- 4. Confidentiality** – Licensor and Licensee agree to exchange confidentiality agreements in respect of the subject matter of this transaction. Licensor agrees to allow Licensee to examine all computer programs, algorithms, specifications, flow charts, listings, source code, object code, manuals and technical data relating to the Software (the "Confidential Information"). Licensee agrees that it shall not copy the Confidential Information and in the event the transaction contemplated by this Letter of Intent is not completed, Licensee shall not disclose or make available the Confidential Information to any other person, firm or company and shall return all Confidential Information to Licensor. Licensee agrees to cause its Partners to comply with this paragraph 4.
