Dear Sirs:

Re:*[insert domain name]*
Infringement on Registered Trademark "[insert trademark]"

[if being sent by legal counsel: We are lawyers for [insert name of trademark owner] ("[OWNER]"),
[if being sent by trademark owner: This letter is being sent to you on behalf of [insert name of trademark owner] ("[OWNER]"),
which is the owner of the trademark "[insert trademark]" (the "Mark"), registered as United States Federal Trademark Registration No. _____ on _____ *[date of registration]*. A copy of the trademark registration is attached hereto.

[OWNER] has used the Mark in the United States *[if appropriate: and elsewhere throughout the world]* since _____ *[insert date or approximate date of first usage]* in conjunction with the [sale, marketing, distribution, etc – *describe as appropriate*] of various products and/or services. [OWNER] also owns the domain name " _____ ", which is an active commercial website.

It has come to our attention that [CYBERSQUATTER] *[insert name of domain registrant]* has registered and is using the domain " _____ " (the "Domain") as an active Internet domain name in violation of the Anticybersquatting Consumer Protection Act of 1999, US Code Title 15, Chapter 22, Subchapter III, §1129. Further, [CYBERSQUATTER] is intentionally trading on the goodwill of [OWNER] by using a trademark that is confusing similar to the Mark.
