### Terms and Conditions

THIS AGREEMENT is by and between [SERVICE PROVIDER] ("Provider") and Customer for the provision of Web Hosting and Email services (the "Services"), for an initial term of \_\_\_\_ months, after which this Agreement will automatically renew monthly, unless otherwise terminated by either party pursuant to the terms hereof.

WHEREAS the parties intend by this Agreement to set forth the terms and conditions upon which Provider will provide the Services to Customer;

IN CONSIDERATION of the mutual promises and conditions set forth below, the parties hereby covenant and agree as follows:

1. *Provision of Services.* Provider agrees to host Customer's website (the "Website") on Provider's server and to provide the Services subject to and based upon the terms and conditions set forth in this Agreement. Provider will supply the hardware and system administration necessary to provide Customer worldwide web access to the Internet community. Provider is not and shall not be responsible for site maintenance, alterations, modifications, coding, scripting or programming.
  
2. *Length of Service.* Customer agrees to an initial \_\_\_\_\_ month contractual term of service. The length of contract required is based on the type of service desired by Customer and shall be determined solely by Provider. The service start date shall begin upon Provider's receipt of Customer's payment for the first such term of service, or upon a mutually agreed upon alternate date.

3. *Renewal.* This Agreement will automatically renew for successive \_\_\_\_\_ month terms unless canceled in writing by Customer at least thirty (30) days prior to the end of the then-current term of service. Renewal service fees are subject to change. Renewal of services by Customer indicates Customer's agreement to any contract revisions and fee changes.
4. *Domain Names and IP Addresses.* The Website will reside within its own domain and shall have a URL address based upon that domain: \_\_\_\_\_ [insert URL]. All domain names and IP addresses assigned by Provider shall remain the sole property of Provider. Customer shall forthwith cease to use any such domain names and IP addresses upon termination of this Agreement.

**THIS IS A 7-PAGE CONTRACT INCLUDING ATTACHMENTS.**
