[NAME OF COMPANY]

SAFE USE OF COMPACTOR POLICY

Purpose:

To safeguard personnel by implementing a procedure to eliminate the risk of injury when using compaction machinery.

Scope:

This policy applies to personnel who are authorized to use compactors including maintenance personnel.

In order to safeguard employees from the hazards involved with compaction machinery the company shall retain the right to designate who will use and maintain this equipment.

Procedure for safe use:

- 1) Obtain key from its designated area.
- 2) Unlock control box.
- 3) Unlock and open hopper access lid.
- 4) Place refuse in the hopper.

THIS IS A 1-PAGE POLICY. THE FOREGOING IS A PARTIAL PREVIEW.
